Work To Put County $900,000 In Debt

County Commission Continues To Spend Money On Roadwork

The Coffee County Commission met in regular session on Monday November 12, at the Courthouse in Enterprise and voted to proclaim the week of November 16-22 as "Farm-City Week" in Coffee County.

Mr. Bill Faulk, chairman of the local Farm-City Committee, stated "Farming is the largest industry in Coffee County" and listed a number of activities planned for the week.

Included among the activities are: Nov. 13- Enterprise Jaycees to hear speech on farming; Nov. 15- Kindergarden classes visit farms; Nov. 16-Little Misses visit farms; Nov. 17- Elba Chamber of Commerce Banquet to feature assistant director of agriculture; Nov. 20-Farm Bureau Banquet in New Brockton; Nov. 21- Guided tour of Sessions (10 a.m.) and Young Farmers' Banquet in Enterprise, and Nov. 22-Enterprise Lions Club to hear Auburn University president Dr. James Martin.

The bi-monthly meeting began at 9:00 a.m., with all commissioners present, as well as commissioners-elect Jimmy Bryan, Billy Paul Owens, Bill Faulk and Sid Averett.

After approving the minutes of the previous meeting, the commission opened bids on numerous items.

Bids on two cars for the Sheriff's Dept., were received from Ed Sherling Ford, Dixie Ford and Cook Chevrolet, and ranged from a low of $11,354 to a high of $11,975.10. The wording of the specifications caused confusion; however, and all bids were rejected. New bids will be opened on November 26.

Bids on carpet for the Elba courtroom were received from three businesses and were as follows: Ellis Floor Covering- $3,371.04; Enterprise Wholesale- $3,400 and Lolley Floor Covering- $3,100. The low bid was accepted.

INCOMING COMMISSIONERS . . . Coffee County's four incoming county commissioners listen as the current commission votes to do additional resurfacing of county roads. Pictured, L-R are: Jimmy Bryan, Bill Faulk, Billy Paul Owens and Sid Averette.

Invitations to bid on batteries for use by the County Hwy. Dept.; however, no bids were received.

Bids on resurfacing and leveling roads were opened and once again the four "lame duck" commissioners pushed the plans through, despite objections from the two returning commissioners.

Commissioner Billy Eagerton stated, "I am not against resurfacing roads, but the county doesn't have the money to do it. If we accept the bid it will put the county over $900,000 in debt!"

The outgoing commissionrs (Boutwell, Grant, Bowden and Martin) voted 4-2 to accept the low bid of $253,568.30 from Wiregrass Construction, with Eagerton and Bradley voting no. The other bids were $259,068.25 from S & C Materials and $287,566.55 from Couch Inc., of Dothan.

In other action at Monday's meeting, the commission:

***approved the purchase of a copying machine for the engineer's office;

***approved the employment of a new assistant engineer at a salary of $20,670, effective January, 1985;

***took no action on requests to place signs on dirt roads;

***sent out invitations to bids on liquid asphalt, plant mix, stone and pipe;

***discussed the progress of various ongoing projects with the engineer;

***appointed Nelline Hudson to the Crenshaw County Water Authority;

***heard Tom Casaday state a vacancy in the Cooperative Extension Office wouldn't be filled unless the county would meet a new financial requirement, which would mean an additional $3,000 allocation (the commission tabled any action);

***voted to send a letter of commendation to the Elba and Enterprise football teams for a successful season;

***and, passed a resolution honoring the Zion Chapel football team for winning the County School System crown.

Council Hears Progress Report On New City Pool

The Elba City Council met Monday evening with all members present except Mrs. Frances Trammell. The meeting opened with prayer, reading of the minutes and a report from Police Chief John White that it was business as usual in the police department.

Recreation Director Dennis Smith gave the council an update on the plans for a new city swimming pool at Hawkins-Williams Park. Grants of $50,000 and $40,000 have been received to help with the project. Smith said estimated cost of the project was $256,360. It includes a large L-shaped pool with diving well, a wading pool, one- and three-meter diving boards, bathhouse, picnic area with 20x40 pavilion, 15 picnic tables, 10 grills, landscaping and fencing.

No decision has been made on the disposition of the two existing city-owned pools. Suggestions have been made to sell, lease or to cover up these facilities. City officials have indicated they probably wouldn't continue to operate the existing pools when the new one is completed.

Bids were opened on a new police car and a new dump truck. Successful bidder on the car was Cook Chevrolet with a bid of $10,857.10. The council unanimously approved purchasing the low bid vehicle.

Bids on the dump truck were received from three dealers, with Lonnie Russell Ford of Birmingham being the apparent low bidder at $15,691. Dixie Ford of Elba was the next low bidder. A decision to purchase was tabled until a committee of council members Cleo Hawkins and John W. Sharpless could check the specifications and assure the council the low bidder was meeting the minimum requirements and the bid request.

The council approved a resolution proclaiming Farm-City Week as requested by county commissioner-elect Bill Faulk. November 16 through 22 is being observed as Farm-City Week in Alabama, Coffee County and Elba. The Elba Chamber of Commerce will be honoring area farmers Saturday night at a banquet with assistant agriculture commissioner Cecil Davis as speaker. The event will be at 7:30 and tickets are on sale at the Chamber of Commerce office.

Bills were approved for payment. They totaled $15,842.24 and included $727 for sideform forms to use repairing existing sidewalks in town; $907 for mosquito spray; $1222 for drain pipe; $5009 for gasoline and $539 for new sewer clean-out rods.

Local News In Pictures

TWO INJURED IN WRECK . . .Two people were injured in this two-truck accident that occured last Wednesday, November 7, four miles east of Elba on U.S. Highway 84. Injured were M.B. Bozeman Jr., 31, of Andalusia, the driver of a pickup truck, and his passenger, Lucille D. Bozeman, 33, of Andalusia. Both were taken to Elba General Hospital. Drew Anthony Curley, 35, of Elba, driver of the other truck, was not iniured.

The Watson home on Caroline Street suffered heavy damage last week when fire broke out about daylight. There were no injuries and firemen responded quickly to the fire alarm.

State Awards Contract For Paving Of New Elba Bypass

The long awaited Elba Bypass took a giant step toward completion last week when the Alabama Highway Dept. awarded a contract to a Brundidge firm for paving the three-mile connector road.

The low bidder, with a $1.8 million bid, was the S.A. Graham, Co., Inc., which will supply the base, pavement, grading and drainage from Highway 189 to Highway 125.

The initial phase of construction involved the building of the Whitewater Creek bridge and the Beaver Dam Creek bridge. Both bridges have been completed.

When completed, the bypass will connect the town's five main roads- the Kinston Hwy., Brantley Hwy., Opp Hwy., Troy Hwy. and Brundidge Highway.

Completion of the paving should take place by the summer of 1985.

Other contracts of local interest included:

***replacing a bridge and its approaches on U.S. 84 at Claybank Creek near Clayhatchee (awarded to Murphree Bridge Corp., of Troy, for $1 million).

He, is past president of the Lions Club, leader in the Red Cross and Cancer Society, is a farmer and member of the Alabama Farm Bureau and Cattlemen's Association.

State Highway Dept. To Study Local Road Improvements

The State of Alabama Highway Department has begun a series of studies to determine possible improvements needed in the Elba area.

One project, identified as Project No. BRF-484(1), Coffee County, consists of replacing the existing bridge over Buck's Mill Creek with a two-lanc bridge capable of handling present and future traffic demands for this segment of Alabama Highway 87.

A second project, identified as Project No. BRF-484(2), Coffee County, consists of replacing the existing bridge over the Seaboard Systems Railroad with a two-lane bridge capable of handling present and future traffic demands for this segment of Alabama Highway 87.

A final project, identified as Project No. BRS-1602(10), Coffee County, consists of replacing the existing bridge over Beaver Dam Creek with a two-lane bridge capable of handling present and future traffic demands for this segment of Alabama Highway 189.

As a part of the Public Involvement Program, the state of Alabama Highway Department invites comments and questions from local residents, property owners and interested groups or organizations concerning the social, economic and environmental effects of the proposals.

Comments and questions should be directed to Mr. James H. Kelley Jr., Division Engineer, State of Alabama Hgwhay Dept., P.O. Box 647, Troy, AL 36081.

New Hours

Brainstorms.....

With Ferrin Cox

Joe Namath is married. The 41-year-old, former Alabama football great, who made history when he signed with a pro team for $400,000, has finally tied the knot. He married a young movie actress and later said it was love at first sight. Joe Willie has made the headlines, on and off the football field, but has announced it is time to settle down to life as a married man. We were surprised at the announcement but wish them all the luck in the world.

This is being written early because I have been talked into spending Tuesday at Zion Chapel Elementary School as part of the National Education Week activities. Not only will I be there, but according to the plan, I am supposed to act like a teacher! "I've Been Back to School" is what is supposed to have happened. If those sixth-grade students all have problems adjusting to school work or to life in general after Tuesday, please don't blame me . . . it wasn't my idea to begin with. Then for me to teach handwriting when mine is so terrible it is impossible for me to read after it gets a bit cold . . . well, you get the picture. I will give you a report next week.

We are already getting offers from Enterprise to fight any move for Elba to go wet! While the offers have been mostly in jest, there is an assumption that now that Enterprise has done it, Elba will be right behind, and the joke was they wanted to keep all that good money in Enterprise. While I am not so sure it would pass, it will be some time before we find out. My understanding is that the vote can only be held when we are voting in a general election, not a special election nor a primary. That means to me at least two years before anyone could call for a vote.

Well the Coffee County commissioners are spending a lot of money - borrowed money. Borrowing money is not always bad, but now it is the defeated commissioners who are voting to spend money left and right and leaving payment worries to the next administration. We feel that if these projects are advisable now, they should have been advisable BEFORE they knew they had lost an election. In fact, if the projects are really needed, maybe completing them last year would have helped someone win re-election. In short, we don't like the attitude of "spend and let them worry about repayment".

The Elba football team is great. We have enjoyed some tense moments, but some sweet victories during this year, and hope to enjoy some more before the season is over. A lot of us are trying to figure out exactly where the various games would be played when Elba wins and if this team or that team wins. Most of us don't really know, but we argue a lot. About the only person who doesn't get into these debates is Coach Wood. He knows where the next game is being played and that is all he seems to think about . . . just one game at the time. However, for those of you still wanting to plan ahead, the best information we can get indicates Elba can only stay home after the Friday night game by losing in Brundidge, and we ain't got any plans for doing that. But that is okay, 'cause after that travel we can stay home and let those Yankee teams come to us.

Troy State football is still making headlines, even though they have one loss on the season. Elba's Ted Horstead is doing his part to keep those headlines alive. Last week he scored the winning touchdown and was also named Player of the Week by somebody. Pat Ted on the back the next time you see him in town.

Britain is being plagued by violence surrounding strikes by coal miners. The whole matter has gotten ugly, as news broke that the very militant leader of Libya was furnishing funds to the strikers. The government of England reports that many workers were beginning to go back to work and credited the offer of a hefty Christmas bonus as incentive to get them down in the mines once again. We suspect that many of them went back because they didn't want to be any part of the violence, nor be partakers of strike beneifts from Khadafy.

Humane Society Pleads For Help For Animals

The Coffee County Humane Society cannot continue to rely on foster homes much longer. The time has come for us to ask for residents' help. There are 38,290 Coffee County residents and if everyone would send just one dollar ($1.00) to P.O. Box 833, Enterprise, we could have the land and building we so desperately need. We have been in existence for two years and for that time we have had to ask the public to house homeless creatures they have found because of limited space in our generous foster homes.

We would also like to bring to your attention, in 1939 neutering a pet was a luxury, this is the 80's and our pet population is out of control. Wild life's population is controlled by hunting season. Your vet can advise on the simplicity and harmless surgery.

Strays can also be a nuisance to the community and potential health hazards. The animals are at no fault, their instinct is to survive. Please help them.

Elba General Hospital Hosts Great American Smokeout

Elba General Hospital will be participating in the "Great American Smokeout", in conjunction with the American Cancer Society's effort to encourage smokers to put down their cigarettes for 24 hours. The planned-for smokeless day will be today (Thursday, November 15).

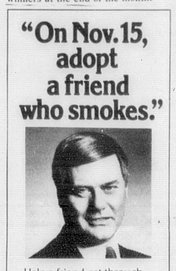

The promotion campaign will be head-quartered in the main front lobby of the hospital from 8 a.m. until 5 p.m., and the public is invited to drop by for encouragement and information from the hospital staff.

There will be displays showing the effects of smoking on the body, free leaflets and other literature from the American Cancer Society, official "Adopt A Smoker" adoption papers for smokers and non-smokers who wish to pair up for the day in a support agreement, and other suggestions.

For those who wish to call and ask questions pertaining to smoking and tobacco, the number is 897-2257, Extension 266, and Dr. J.M. Kimmey will be the answering professional.

Hospital employees who smoke may participate by turning in their cigarettes in exchange for a "survival kit" of soft drinks, snacks, gum and chances to win free meal coupons and movie passes. Other businesses are challenged to offer incentives to quit to their smoking employees.

As part of their monthly community service, the marketing department of Elba General has presented programs on the dangers of smoking and tobacco use to all four Elba schools and New Brockton Elementary School. They are sponsoring an art contest for kinder-garten through third grades and an essay contest for grades four through ten. Awards will be presented to winners at the end of the month.

TOPIC FOR THE WEEK

How to Sharpen Your Concentration

Concentration is the ability to pay close attention, and the ability to concentrate is the key to success. Many of us do not have such power because noise distracts us, having too many items on the agenda frustrates us, phone calls pester us, and people claiming our attention draw us away from our tasks.

We can also come up with dozens of good reasons to put off starting or completing a project or meeting a deadline. Many who work in the professions - doctors, lawyers, clergymen, teachers, musicians, etc. can often achieve high levels of concentration. They get so wrapped up in work that is meaningful or pleasurable to them, that concentration comes rather easily.

Concentration, for most of us, is an acquired habit of mind, and everyone can improve this power.

One of the greatest enemies of concentration is noise, which seems to be in greater abundance in our work and home lives every year. According to Dr. M.H. Miller, a professor of audiology at New York University, NOISE doesn't kill, but it is the great destroyer of the quality of life. It can prevent a worker from concentrating on his work, a parent from hearing his/her children at play, keep us from enjoying the song of a bird. or communicating.

One of the best ways to tune out noises and distractions and keep them from interfering with our concentration is to achieve a higher level of interest in what we are doing. Not only interest but enjoyment, skill and performance are called into play if we are to achieve high levels of concentration at work. If we can shut out other thoughts and noises or distractions while we work at a particular task, we are sure to be able to do the job better and enjoy our work more. Satisfaction with job performance can also reinforce concentration.

Some of the essentials to **sharpening** your concentration are 1) Interest in the work at hand 2) Quiet atmosphere for work 3) Positive attitude about doing the task at hand 4) Determination that we will be successful at the job 5) Good health to handle the stress of the job 6) Perseverance to stick to the job until completion 7) Knowing the purpose of the task and believing in it 8) Faith that we will be successful and benefit from completing a job, and last but not least 9) Being a better listener.

PTO TO MEET MONDAY

The Elba PTO will meet Monday, November 19, at 7 p.m. in the Elba Elementary School cafetorium. Mrs. Sonya Helms, speech therapist with the Elba City Schools, will be the speaker. She will discuss and explain "Hints on Improving Your Child's Speech."

All parents are urged to attend the meeting.

DON'T FORGET . . . .

The eight-year-old baby preacher, Brother Trevell White, will be at the Triumph Church of Elba Friday night, November 6, at 7 o'clock, in a soul-saving worship service.

Be sure to come see and hear the miracle of the age, and bring the sick for special prayer. Remember - all seats are free.

The church is located on Taylor Mill Road in Elba.

Letter To Editor

Dear Ricky,

I would sincerely appreciate the publishing of this letter of thanks directed to the Elba Chamber of Commerce for their expert assistance and support in our new expansion. The Chamber sought and supplied us with Mr. Larry Gardner and other members of the Alabama Development Office, who advised us as to the assistance offered by the State of Alabama for industrial expansion. With their expertise and guidance in obtaining financial assistance through the sale of Industrial Development bonds, we were able to finalize our plans. Otherwise, they might still be on the drawing board. In summary, the size and magnitude of our expansion would not have been possible without the valuable assistance provided by the Chamber. For this help we are sincerely thankful.

I would also like to give a special thanks to the members of the Elba Industrial Development Board. The confidence they expressed in our company was a compliment and a blessing. To them we are also thankful.

Sincerely,
/s/ C.E. KELLEY, President
Elba Packing Company, Inc.

Mrs. Jeffrey Thomas Scarbrough

Branum—Scarbrough Wedding

Miss Kimberly Anne Branum and Mr. Jeffrey Thomas Scarbrough were united in marriage October 19 in the chapel of the First United Methodist Church of Houston, Texas.

The bride is the daughter of Mrs. Sybil Jones of Wetumpka. She is also the daughter of the late Ray Branum. She is the granddaughter of Mrs. Henderson Stringer and the late Mr. Stringer, and Mr. and Mrs. John William Branum, all of Greenville.

Parents of the groom are Mr. and Mrs. William Scarbrough of Elba. He is the grandson of the late Mr. and Mrs. Sam Reeves and the late Mr. and Mrs. Tom Henry Scarbrough, all of Elba.

Dr. Eric Anderson officiated the ceremony. Wedding music was presented by Scott Davis.

The bride, given in marriage by her step-father, Mr. James Talmadge Jones, wore a tea-length gown of candlelight chiffonette. The fitted bodice featured an open neckline embellished with Venise lace and full short puffed sleeves. The natural waistline was encircled with a satin ribbon from which the A-line skirt flowed gracefully. Her fingertip veil of candlelight illusion was attached to a wreath of silk flowers seeded with pearls.

She was attended by her sister, Mrs. Sonya Reece, matron of honor. She wore a dress of burgundy silk featuring a soft pleated front. Emily Reece, niece of the bride, served as flower girl. She wore a candlelight dress with hand-smocked bodice and velvet burgundy sash.

The groom's father served him as best man.

RECEPTION

Following the ceremony a reception was held at the home of Mr. and Mrs. Richard K. Reece.

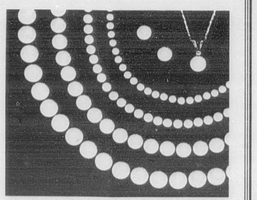

The couple resides in Austin, Texas.

Elba Senior Citizens Club Hosts Golden Sunhine Club Of Andalusia

The Golden Sunshine Club of Andalusia, was the guest of the Senior Citizen Club of Elba, on November 8 at the Human Resources Clubhouse on 707 Simmons Street. A delightful interlude of music was performed by the Golden Sunshine Club.

Many old favorites were played and sung by all, including Gospel and bluegrass music. Several of the members enjoyed dancing.

At 12 a delicious and varied lunch was served.

Those attending were: The Golden Sunshine Group: Vannie Fuller, Arthur Smith, Walter White and Sue Sims; members of the local club: Judge Marion Brunson, Frances Shaboo, James (C.F.) Cole, Robert Folsom, Mary Longfellow, Johnnie Kryzyzonwski, Anise Boswell, Rosa Coon, Emma Nolin, Merle Burkett, Zadie Bouyer, Merle Boling, Mavin and Winslow Matthews, Gladys Bryan, Mattie Lou Goodson, Mary L. Smith, Bonnie Davis, Gladys Tucker, Annie Peral Carpenter, Evie Vee Johnson, Mildred Willis, Anna Stoudemire, Wanda Sasser.

The store was open and also meat was brought from the Elba meat company.

Mrs. Mauch Prize-Winning Quilt Included In New Book

For three or four months in 1980 Mrs. Annie Mauch and Mrs. Opal Hatcher worked on a quilt - a quilt which would be a graduation present for Mrs. Hatcher's daughter Marcia. In October of that year the ladies entered the finished product in the National Peanut Festival in Dothan - and claimed first place in the quilt division and grand prize in the sewing category.

Now the ladies have been tabbed for even further recognition - their quilt has been chosen to represent the state of Alabama in a book called "First Prize Quilts" by Dimetra Makris and published by Simon and Schuster, New York. As the name implies, prize-winning quilts from all 50 states are highlighted in the book.

Done entirely by hand using embroidery and applique, the red-on-white quilt depicts the 1978-79 national championship football team of the Alabama Crimson Tide and is titled "Those Were the Days." An adult elephant and a baby elephant pay a father and son as they are reliving the grand old times of the team's glory.

Mrs. Mauch was contacted by the author and requested to send a picture of their "first-prize" quilt.

Elba Study Club Meets At Library

The Elba Study Club met on Wednesday afternoon November 7, 1984 at the Elba Public Library. Mrs. W.H. Taylor and Mrs. V.E. O'Riley were hostesses for the meeting. A delicious dessert plate was served to nineteen members. Mrs. P.H. Sellers gave a very interesting program on "Gloria Vanderbilt Design". Mrs. Edlow Bryan, club president presided over the business session during which committee reports were made and routine business was conducted. Blind-made goods were ordered by the members.

Memorial books were selected for presentation to the library. The meeting was adjourned with the reading of the club collect. Those present were: Mrs. M.O. Brueckner, Mrs. Edlow Bryan, Mrs. J.R. Clark, Mrs. Oswell Dowling, Miss Jeannette Garrett, Mrs. Durrell Hudson, Mrs. L.F. Inman, Mrs. W.E. Kelley, Mrs. T.D. Kendrick, Mrs. J.M. Kimmey, Mrs. J.D. Lowery, Mrs. T.M. Miller, Mrs. F.H. Murphree, Mrs. P.J. O'Riley, Mrs. W.M. Ringsdorf, Mrs. Melvin Senn, Mrs. P.H. Sellers, Mrs. Duke Tatum, Sr. and Mrs. W.H. Taylor.

Music Lovers Club Hears Miss Peacock

The Elba Music Lovers' Club met on Thursday, November 8, at the First Baptist Church with Mrs. Paul King, Mrs. Bobby Baker and Mrs. Jimmy Ramsey serving as hostesses.

Mrs. Edwin Cooper, program chairman, introduced the guest artists, Miss Heather Peacock, vocalist, accompanied on the piano by Mrs. Elisabeth Donaldson.

Mrs. Donaldson highlighted Heather's musical accomplishments, and Heather introduced each song she performed. Her selections incluoed an aria from the works of Mozart; an aria from Puccini's "La Boehme"; and the well-known favorite, "Brahm's Lullaby".

Miss Peacock concluded her program with several hymn selections including "Whispering Hope", a hymn to the tune of "Danny Boy", and her favorite to sing, "His Eye is on the Sparrow".

After the program delicious refreshments of cake, nuts and hot spiced tea were served.

It Is Time For Thanks

Thank you Lord for:
Your great love,
Saving my soul,
Thy patience with us and understanding of us
Peace of mind you have granted,
Other Christians who have influenced us for good,
Everything of value; it came from you.
Happiness,
Health,
Provision of material needs,
Inspiration from your word,
Your strengthening power,
Your unquestioned wisdom,
And your constant presence.

Scout Troop 300 Holds First Meeting

Senior Girl Scout Troop # 300 held its first official meeting on Monday night, November 5, 1984. The only senior troop in Elba consists of twenty-six members with Mrs. JoAnn Cannon as sponsor. President Ceina Hayes, vice president, Martha Holt, secretary, Tawana Nelson, and treasurer, Lesley Ham are the presiding officers.

This year Anette Scharstein, an exchange student from Denmark, is one of our new members. At the meeting Anette displayed her uniform blouse, which is very different from the American uniform. Troop #300 is looking forward to the presentation that Anette is preparing for later in the year.

The activities planned for this year begin with a Christmas party where each girl has to make the gift for the person whose name she drew. A learning project is planned for January. The annual cookie sale begins in February, and a camping trip is also planned for this month. The troop is hoping to attend a state meeting in Montgomery later in the school year.

Girl scouting helps girls to become individuals. It teaches them to develop their own positive qualities and to deal with their negative ones. Preparing girls for tomorrow is the key to Girl Scouting.

Members include Danette Bogan, Gina Young, Beth Henderson, Christy Brookins, Amy Ross, Tab Bryan, Shelye Amison, Michelle Free, Alisa Parrish, Amy Ellis, Amy Bowers, Julie Sullivant, Kim Kelley, Danon Lowrey, Stephanie Crittenden, Anette Scharstein, Susan Farmer, Renae Owens, Jennifer Smith, Tawana Nelson, Lori Clark, Leslie Hamm, Ceina Hayes.

Elba FHA Members Compete In Peanut Recipe Contest

The Alabama Peanut Producers Association is conducting, for the first time, a "Foods Competency Event" featuring a Peanut Recipe Contest. Six Elba FHA members participated in the local contest. The contestants and their recipes included: Teresa Hudson, (Creamy Chicken with Rice), Jennifer Walker (Crispy Crunchy Chicken), Carolyn Caldwell (Wiregrass Sweet & Sour Chicken), Mary Boswell (P-Nutty Chicken), Kenneth Chism (Curried Chicken and Rice), and Jamie Morrow (Hot Chicken Salad).

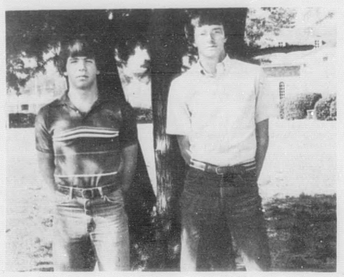

Recipes were judged on the appropriateness for the contest, their appearance, flavor, texture, and the effective use of peanut products. All recipes were required to be an original main dish. Judges for the local contest were Mrs. Lois Holt and Mrs. June English.

Certificates were awarded to first, second, and third place winners. The third place winner was Mary Boswell; second place winner was Jennifer Walker, and first place winner was Carolyn Caldwell. Carolyn will compete in the county contest which is to be held at Elba High School on December 5.

Mrs. Ann Dyess and Mrs. Mary Young, Home Economics teachers encouraged students to participate and aided students with their recipes.

Senior Football Players Featured

These seniors: John Hudson, Michael Scott, Raynard McKinnon, Terrell Hammonds, Tim Dyess, Tim Flowers, Terry Ware, Michael Maddox, Keith Daniels, Gary Kelley, Jeff Goodson, Rex Jackson, Rickey Messick, Danny Ennis, Ken Ware, Claude Dorsey, Eddie Crawford, Jim English, Todd Sanders, Brian English, and Kevin Smith are a big part of Elba High's 1984-85 winning football team.

These young men have played, worked and studied together for a number of years. We wish them the best of luck in their remaining games. We feel at Elba High that they belong on top. Keep the WINNING spirit!!!

Don't Forget....

To Buy A Yearbook

By: Kelly Sheffield

The Zion Chapel Annual Staff is proud to announce that the Rebel '85 is now on sale. The cost of the yearbook is $20. The name stamped on the front cover will be $2 extra. The annual may be paid for in four installments. The first installment must be paid in November, the last three can be paid any time between November and April. This year because we are taking the payments in installments it is very important that you keep up with your receipt stub so that our records can and will be more accurate. You may purchase your yearbook from Wendy Nelson, business manager, Janet Stewart, editor and Rachel Bryan, sponsor.

4-H Fraternity Meets

By: Janet Stewart

Zion Chapel students Kim Liptrot, Brian McLeod, Fran Chirico, Janet Stewart and alumnus Mike Chirico attended the November meeting of the Coffee County 4-H Gold Key Fraternity.

Bob Helms, chairman of the Coffee County Young Farmers' Association was the guest speaker at the meeting. He discussed National Farm City Week, which is a project designed to let people in the cities know about the farmers and food production.

Mr. Helms talked about his experiences in farming and the plight of the American farmer. He showed pictures of himself with show calves when he was in 4-H. He encouraged involvement in 4-H and the importance of it.

A Christmas party was one order of business discussed. A tentative date of December 20 was decided upon. It was decided that the group will eat at the Western Steer steak house in Enterprise and then go to Kim Fairson's house for a barn dance. Committee members for planning the party were appointed.

Suggestions for a summer trip were discussed. Some ideas presented for possible places to go were Six Flags, Opry Land and Disney World/Epcott Center.

The citizenship Focus Trip to Washington, D.C. was a subject of discussion. Members wishing to go with the Alabama Delegation this year were asked to apply.

Other topics were recordbooks, community projects, dues for the club, a trip to the 4-H Center in Columbiana, and upcoming contests.

Basketball Season Begins November 20

By: Julie Davis

All is quiet on the football field, but what is all the loud noise coming from the gym? It's the sound of basketballs being dribbled down the court.

Twenty-seven candidates for the junior high team and twenty-two for the varsity and B-team showed up for the first practice Monday, November 5. The varsity and B-team will practice from 3:00-5:30 every afternoon. Junior-high will practice from 5:30-7:00.

Members will be chosen by the end of the first week of practice. In determining who makes the team, the coaching staff analyzes the abilities of each individual player, and determines the team roster.

When asked what his plans for the 1984-85 basketball season were, Coach Lindsey replied, "Our goal is to be as prepared as possible for each game, and to represent our school and community well."

The first game of the season is November 20, against Florala, at Zion Chapel.

Seniors Go On Spending Spree

By: David "MAC" McCarroll

"Boy, my dad is really getting upset with all these things we have to buy." This statement is being heard from many Zion Chapel seniors.

This past week has been an expensive one for the seniors. They first had to buy senior portraits, and then they ordered invitations, memory books, class--keys, etc. The expenses are not over, however. The seniors still have caps and gowns to order.

Rebel Band Playing In The Rain

By: Wyman "Lavanch" McWaters
The Zion Chapel Marching Rebel Band ended its marching season last Saturday in The Southland Band Classics, held in Enterprise. The Z.C. Rebel Band entered the field of competition at 3:30 that evening.

BAND MEMBERS-Cindy Richards, Wyman McWaters, Kelly Sheffield, and David McCarroll are serving their last year in Rebel Band. They have been band members since the fifth grade.

The Rebel Band scored a two, the drum line scored a two, the color-guard a one, as did the Drum Major.

Mr. David Seanor, the Z.C. band director, was very pleased with the outcome of Saturday's show. He said, "It was a very enjoyable contest. I believe that the judging was fair and accurate." Mr. Seanor also said, "Saturday was truly a learning experience for the director and the band, because it was the first time we had sat through a rain-pouring, wind blowing contest." But even though the weather proved unbearable, Mr. Seanor stated, "The band did about the best show of this marching season and is looking forward to next years season.

This year's seniors include president, Wyman L. McWaters; vice president, Rhonda Senn; secretary, Wendy Nelson; treasurer, David McCarroll, Roger Show, Cindy Richards, Sarah Campbell, Tonya Moultry, Barbara Liptrot, Kim Liptrot, drum major, Kelley Sheffield, and Timmie Davis. Four of the seniors have been in the band since the beginning. Wyman L. McWaters, David McCarroll, Cindy Richards, and Kelly Sheffield.

We would like to extend a special thanks to all who supported us, and to David Bell, our band manager.

Seniors, You Need This Information

By: David Ralney

The ACT Assessment will compare your interests to those of college students of many education programs and majors; this information may help you to choose and prepare for you own field of study.

The Assessment includes your scores on the four subject area tests, your average score, and information on your interests, plans, accomplishments and needs.

Your tests scores are important to colleges because they provide information about your readiness for college-level work. Many colleges use the information on the ACT report as part of the admissions process.

Because thousands of institutions use the information that students provide through the ACT Assessment Program, ACT processes and reports the results as quickly as possible without sacrificing accuracy and quality. About four to five weeks after taking the test, your ACT Assessment Student Report, in which ACT has analyzed and organized the information you provided, will be sent to your high school along with a report for your counselor. Reports will also be sent to the colleges and scholarships that you request. Because ACT maintains confidentiality of your ACT record, no other copies of your report will be released without your authorization.

The ACT Assessment folders are available from your guidance counselor and there is a registration fee of $9.50.

The next testing date will be February 9, 1985 but the registration folder must be postmarked by January 11, 1985.

Spirits High On Senior Appreciation Day

By: Krista Dyess

Senior spirit was sky high, especially for the senior members of the band, football players, and cheerleaders, on Nov. 2, 1984. Why was the senior spirit aroused? Because this day was to be Senior Appreciation Day.

During sixth period all the Zion Chapel student body gathered in the gym for the recognition of the seniors and a pep rally.

First, Mrs. Pat Powell explained what all was going on then called on Mr. David Seanor, band director, to acknowledge all the senior band members. Next, Coach John Frank Hudson recognized the senior members of our football team. Although our football season wasn't the best there has ever been these seniors stuck it out all the way. These players are Michael Hill, Steve Nelson, Wayne Nelson, Greg Flowers, Dennis Evans, and Tony Shiver. Last but not least was the recognition of the senior cheerleaders. This year's squad had only two seniors, Crystie Mauldin and Tabatha Morris. This was their first year as varsity cheerleaders. After all the presentation of these seniors the band performed selections from their halftime show. The varsity cheerleaders led the student body in chants and cheers. Included in all of this the cheerleaders added a surprise by spelling out the word Rebels, using the cheerleaders as letters. To end an all around great day, the Zion Chapel Rebels dominated New Brockton!

Rebels Crowned County Champs

By: Chris Hodge

The Zion Chapel Rebels closed out their season with a win over the New Brockton Gamecocks and some well earned respect. With this win came the county championship that has evaded the Rebels in even the best of years. This was not to be the story this year when the Rebels posted convincing victories against both the Kinston Bulldogs and the New Brockton Gamecocks. In each of these games the Rebels were picked to play a good game but not to win. To everyone's surprise, the Rebels took the Bulldogs into overtime and emerged as the victors. The Gamecocks proved to be less of a task as the Rebels left them scoreless in the second half to become the Coffee County Champions!

Bus Drivers Spotlighted

By: Sheila Simmons

The bus drivers, as well as the teachers at Zion Chapel have very important jobs. Their main job is to drive students to and from school. The drivers also have to keep a monthly report of how many students ride their buses.

The bus drivers at Zion Chapel are Annette Parker, Linda Powell, Karen Snellgrove, Marie Ellison, Margaret Johnson, Doris Catritt, Betty Foley, Vivian Cole, Jean Dismukes, and Louise McWaters.

Here He Comes Miss FBLA

Who's the most beautiful girl in FBLA? That will be tough for the judges to decide---Too-Much Tiffany or Delicate Delila??

This will be the main fundraiser for FBLA and 100 percent participation is expected.

Mark November 19 on your calendar, and try to be at the New Brockton high school auditorium to witness surely one of the most hilarious beauty contests you've ever seen!!!

N. B. Seniors Reflect Nation's Choices

The New Brockton Government class seems to be "in step with America," by definitely agreeing with political choices across the nation.

The students voted for president, U.S. senator, representative, and the wet/dry referendum, as across the rest of the nation, Ronald Reagan won by an overwhelming 29-7 victory. Also on the winning were incumbents Howell Heflin and Bill Dickinson. On a more local level, the students picked "wet" on the Enterprise "WET/Dry" referendum.

A ked why they favored Reagan, most students replied that they liked his stand on defense and defense spending, and also the improvement he has made in the economy.

WREATH FORMS MAKE DECORATING EASY

A demonstration on how to make wreaths that add spark, color and texture to a door, room or table setting will be held at the Extension Office Tuesday, November 27. Two demonstrations will be on this date: 9:30 a.m. and 7 p.m. Please register for the one most convenient for you. Call 894-5596. The demonstration is free.

Wreaths will be made from simple metal wire frames. They are reusable, so you can make beautiful wreaths for any occasion. You will learn to make decorations with the Williamsburg look advert wreaths, swags, etcs., as well as large wreaths and other decorations for churches. You will not want to miss this demonstration.

HOMEMAKERS MEETINGS

Last Thursday, 45 members of our fine homemaker clubs met in the Community Room for their annual get-together. If you are a member of one of these clubs and did not get to attend this meeting, you missed an excellent program given by Mr. Skip Hemp from "Pathway."

Mr. Hemphill told the group how Pathway was started, its goals and objectives [illegible] located in the Clintonville Community on 60 acres of land and houses young men who for some reason or other can not live at home.

In addition, we all enjoyed a delicious covered dish luncheon.

PROCESSED CHEESE

Yes, it's real cheese. There has been a long-standing misconception about this type cheese, apparently stemming from the word "process." It simply means that several kinds of natural cheeses have been cut, mixed, and blended by heating. In a nutshell, natural cheese is made directly from milk, and processed cheese is made from natural cheese.

Even though processed cheese is a real dairy product, it is often imitated. To be sure, read the ingredient label or look for the "REAL" Seal.

NEW PUBLICATION

Our newest publications are on inexpensive gift and accessory ideas for the holiday season. The following leaflets will be available at my office in a few days. Please call 894-5596 for the ones you are interested in. They are: No-Sew Sachet, Macrame Bead Necklaces, Graffitied Clothes, the Snood, the Mufflette, Down Bottles, Quilted Scuffies, Elf Shoes, and Sweatshirt Dressing.

HOSA OFFICERS . . . Newly elected Health Occupations Students of America (HOSA) officers at the Area Vocational Center in New Brockton are: **Seated, L-R:** vice president - Shirley Andrews; president - Pat Brooks, both of New Brockton; vice president - Lisa Baggett, Zion Chapel; **Back Row, L-R:** treasurer - Tina Horstead; secretary - Rhonda Smith; and historian - Tabitha Grimes, all of New Brockton. The officers recently attended an officer training workshop at Auburn University which included general training sessions on parliamentary procedures, general information about HOSA, and a lecture from the National HOSA chairman, Dr. Norma Walters, on the qualities of leadership. **[Coffee County school photo]**

THE PRESSBOX
BY RICKY MULARZ, EDITOR

The 1984 Elba Tigers continued to make history last week when they claimed the first playoff win in the history of the school by defeating the Abbeville Yellowjackets 35-6 in the first playoff game ever played in Elba. If the Tigers can keep on winning they could completely rewrite the entire Elba football record book!

The Elba offense didn't look as sharp as usual, but still managed to roll up a lot of yardage and continued to average over 32 points a game. The star of the night for the offense was senior tailback Michael Scott, who gained 145 yards to pass Don Horstead and become the all-time leading runner in Elba football history. The effort gave Scott a career total of 3,874 yards, which is over 100 yards more than Horstead got during his illustrious career. Michael and Don are two very good backs and it is a credit to Elba's football program that both have worn the black-and-gold of Elba High!

The Elba defense continued to help the offense as it scored one touchdown and set up both a touchdown and a field-goal with turnovers. The Elba defense not only keeps its opponents off the board, it also puts points on the board itself! Ken Ware had a good game and appears back at full speed after a mid-season injury, while Vic McKenzie had his best game ever and looks to be a solid lineman. The defense will also go down in the books no matter what happens the rest of the season.

Before leaving the subject of last week's game I'd like to thank all the fans for putting up with my announcing of the game. Doug Holderfield wasn't able to attend due to a death in his family and I didn't know until Friday morning that I would get to take his place and be the announcer in Elba's first playoff game ever. I did a lot of pre-game work on notes and enjoyed doing the game; however, I can assure you I'll be the first to welcome Doug back at future games!

This week the Tigers will return to Brundidge to battle Pike County and I encourage all Elba fans to get there early and once again give their support to the team. The fans were at their best the last time we played in Brundidge and I know this week the fans will be even louder and more supportive than last time (if that's possible). C'mon Tiger fans, let's go up to Brundidge and let everybody know what it takes to have a championship program!

A lot has been said and written in recent weeks about the expanded playoff setup this year and now I guess it's time to get in my two cents worth. Well, I agree that a lot of teams made it to the playoffs that had no business making it; however, it does seem that the system of allowing the top two teams in each area in the playoffs is a fair way to treat everybody. It lets a team have a bad night and still have a shot at making the playoffs and also increases revenue for just about everybody involved. I'll agree the new system has a few bugs in it, but I for one think the idea was a good one and shouldn't be junked after just one year.

Basketball season is here for a lot of schools, and as a matter of fact I have plans to attend a junior high game tonight at Goodman. I'm still very much excited about the playoffs and plan on going to football games for three more weeks; but I also am looking forward to watching basketball. I guess you could say I'm just a true sports fan!

Ye ole Polish prognosticator had a pretty good week last week, hitting on 22 of 24 picks. The playoffs are an exciting time and it's not always easy to pick winners;, however, here are my picks for week No. 2:

ELBA VS. PIKE COUNTY
These two teams put on quite a show in their first meeting and the rematch could be just as good. The Bulldogs were chanting "Elba, Elba, Elba" last week after beating Ashford and will soon get what they asked for. My guess is that the Tigers will give 'em more than they wanted!
Elba 20 - Pike County 10

BRANTLEY VS. DOZIER
These two teams also put on a show in their first meeting and the rematch should also be something to see. The Tigers will be fired up and ready to pull off an upset, but I think the Bulldogs' tradition will carry them into round 3!
Brantley 27 - Dozier 6

ENTERPRISE VS. CENTRAL, PHENIX CITY
The Wildcats have improved greatly over the course of the season and could well be the top team in the state in 6A. This will be a battle of two teams of very contrasting styles of play and I'm giving my nod to the power team!
Enterprise 21 - Central 14

Tigers journey to Brundidge for battle with Pike County

The Elba Tigers' march toward a possible Class 4A championship will carry them to Brundidge Friday night for a second round match-up with the Pike County Bulldogs.

The two long-time rivals met earlier in the season, with Elba rallying from a 24-7 halftime deficit to post a wild 33-24 win.

Pike County (10-1) has reeled off six straight wins since the loss, defeating Holtville 20-7, Central of Hayneville 51-0, Daleville 39-7, Troy 28-7, Evergreen 37-15 and Ashford 20-6.

"I believe Pike County is actually stronger now then when we played'em before," said Elba's Coach Mack Wood, "Their fullback got hurt and missed the second half against us, but he's back and running well at tailback. Brundidge has an outstanding team and it will take an intense week of practice for us to get ready."

"On offense," said Wood, "Pike County is explosive! They score a lot on long plays and are loaded with talent. They have a real good quarterback, two good running back, and an outstanding end. The Brundidge offense is as well balanced as any I've ever seen. On defense they're still running a split 40 with an 8-man front. They've got two big tackles, a good end, real good linebackers and a quick secondary. Brundidge has an outstanding team!"

"For us to win it will take a super effort in all areas," declared Wood. "On offense we will have to be balanced and not make any mistakes. We'll have to throw to keep'em honest and our line will have to block well if we're to run. On defense we'll have to control them, because there is no way to stop their offense. We can't give-up the big plays, we must tackle well and we'll have to be alert at all times."

"We're looking for an extremely tough ballgame," said Wood," We know Brundidge will be ready and they'll have all the advantages- they're playing at home, they're hungry for revenge and they want to knock us out of the playoffs!! It's going to be a tough, hard-hitting game."

Looking back to the win over Abbeville, Coach Wood stated, "I was proud of our team for doing a good job on both sides of the ball and extremely proud of the team for showing a lot of class. Abbeville played us real tough in the first half and did a good job, but we adjusted at halftime and did a good job in the second half. The effort was good on both sides of the ball."

Lincoln "Red" Watson, the one holding the live rattlesnake, and his brother Charles, right reported catching this five foot rattler on a dirt road south of New Brockton.

The brothers were cutting pulp wood in the area when they spotted the big snake. They were prepared for the encounter as they had also caught one the week before. The brothers sell the rattlers and want to keep them alive because they get a better price alive.

DIVING FOR EXTRA YARDAGE . . . Tiger running back Landy Magwood dives for extra yardage after being hit by an Abbeville defender.

Elba's Stan Sauls (15) dives to tackle Abbeville's Darrin Richardson (11) as Rob Hudson (22) closes in to help. The defense held the explosive Yellowjacket offense to six points.

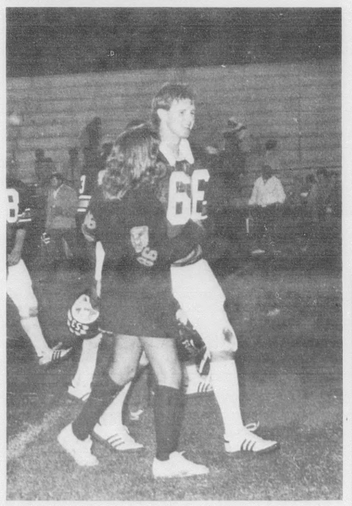

Elba Tigers clobber Abbeville 35-6

The Elba Tigers claimed their first playoff victory ever last Friday night when they clobbered the Abbeville Yellowjackets 35-6 in the opening round of the State 4A football playoffs, in the friendly confines of Miller Memorial Stadium, in Elba.

The win upped Elba's record to 10-0 and advances them to the Region 2 finals next week in Brundidge against the Pike County Bulldogs. The loss gave Abbeville a final record of 4-7.

TOUCHDOWN . . . Elba's Michael Scott (25) points a finger at fans in the endzone after scoring a touchdown. Scott gained 145 yards in the game to become Elba's all-time leading rusher.

THE THRILL OF VICTORY . . . Elba defensive-end Craig Murdock (66) finds a happy cheerleader waiting after Friday night's 35-6 win over Abbeville in the opening round of the playoffs.

Elba received the opening kick and proved its power by driving 74-yards in 14 plays to take a lead it would never relinquish. Michael Scott and Richard McKinnon took turns running against the Yellowjackets defense and moved the Tigers to a first down at the Abbeville 20, where John Hudson fired an 11-yard strike to John Osburn to get the Tigers in close. Scott moved the ball to the seven and on the next play quarterback John Hudson kept on an option and scored on a 7-yard run to put the Tigers on top 6-0. A bad snap following the score foiled the extra-point attempt, but with 5:43 left in the first quarter Elba was on top 6-0.

Elba's Raynard McKinnon stole the ball from the Abbeville return man on the ensuing kick and rambled to the Jacket 20- yardline to put the Tigers right back in business. A clipping penalty on the first play nullified a big gain and backed the Tigers up; however, Michael Scott broke loose on a 12-yard run and Elba had it first and goal at the Abbeville 9-yardline. Two passes fell incomplete to slow the march and on fourth down John Hudson was called on to kick a 27-yard field-goal which gave Elba a 9-0 lead with 4:00 left in the opening stanza.

The Yellowjacket offense came to life on its next possession and drove to a first down at the Elba 3-yard-line. The Tiger defense held Abbeville on two running plays and then on third down caused a fumble and Chuck Williams recovered at the one to stop the threat!

The Yellowjackets moved to a first and goal at the Elba 8-yardline on its next offensive series and appeared to be headed for paydirt, only to be stopped again by the Tiger defense and came away empty-handed as on fourth down a 27-yard field-goal attempt sailed wide to the left.

A 50-yard punt by Elba's John Hudson backed the Jackets up on their own 4-yardline late in the half and led to the Tigers final score of the first half. Abbeville still had hopes of moving down for a score, despite the poor field position, and came out passing, only to see Elba's Mike McCollough intercept a pass and return it 25-yards to the Yellowjacket 11 with 1:48 left in the half. Two running plays lost a total of two-yards but on third down Michael Scott got the ball on a good pitch from John Hudson and the senior speedster turned the corner and raced 13-yards for an Elba touchdowns! A two-point pass failed as the Tigers carried a 15-0 lead into the dressing room at the half when the quarter ended :53 later.

Abbeville received the second half kick and moved to a quick first down on three running plays. The Yellowjackets decided to return to the airways on first down and again got shot down as Elba's Raynard McKinnon intercepted the pass and returned it 40-yards for a touchdown to blow the game wide open! A two-point conversion failed; however, with 10:01 still left in the third quarter Elba's lead was up to 21-0.

Elba got the ball back on the Tiger 45-yardline following a punt and wasted no time adding to its lead as on the first play from scrimmage Michael Scott got the call and raced 55-yards for a touchdown! John Hudson kicked the extra-point to give the Tigers a big 28-0 lead with 7:26 to play in the third quarter.

Elba linebacker Ken Ware intercepted an Abbeville pass on the Jackets next possession and returned it to the 22-yardline to put the Tigers back in business. Elba quickly moved to within the shadows of the goalposts, but this time failed to put points on the board as Mike McCollough lost control of the ball just prior to crossing the goalline and Abbeville recovered in the endzone to kill the threat.

Abbeville gambled on fourth down on its next series at the 8-yardline and lost as Elba's Tim Flowers made a big hit on a Yellowjacket runner to give the ball back to Elba. A 25-yard pass from Mike McCollough to Mick Phillips got the ball to the 3 and on the next play Raynard McKinnon burst thru a huge hole to score on a three-yard scamper. Hudson's p.a.t. sailed straight thru the goalposts and with 10:40 left in the game it was all over as Elba took a 35-0 lead.

Elba got another break when Mickey Dunnavant recovered a Jacket fumble on the Abbeville 14-yardline, but the Tigers didn't score as the reserves failed to push it in. Abbeville pulled out a couple of trick plays on its final series and finally got on the scoreboard as Elbert Peterman took a handoff and then passed to a wide open Reginald Russaw, who ran in on a 66-yard pass play. A two-point attempt failed, and :19 later at the final horn it was Elba with the win 35-6.

Michael Scott gained 145-yards on 15 carries to lead the Elba ground attack, while Richard McKinnon added 58-yards on 9 carries. Ken Ware made 9 tackles, assisted on 1 and intercepted a pass to pace the Tiger defense, while Victor McKenzie also had 9 tackles and 1 assist. Other food defensive performances were turned in by Jetey Wise with 7 tackles and 1 assist and Raynard McKinnon with 5 tackles, 1 assist, 1 pass interception and 1 fumble recovery.

Dan Mitchell gained 49-yards on 7 carries to lead the Abbeville ground game, while David Wilkinson and Jimmy Sharpe led the defense.

Bulldogs march on with romp over McKenzie

Brantley quarterback Bernard Foster (11) cuts inside a teammate and finds room to roam. Foster, a junior, also intercepted three passes to lead the Bulldogs to a 28-13 win over McKenzie.

Brantley's Doug Salter (22) looks for running room as Bernard Foster (11) moves in to make a block on a McKenzie defender.

BULLDOG TOUCHDOWN . . .Brantley quarterback Bernard Foster (11) sneaks over for a touchdown behind the blocks of Reggie Williams (59), Brian Hall (66) and Kyle Flowers (77).

STORY AND PICTURES BY BILLY WAYNE WILLIAMSON

The Brantley Bulldogs pulled out to a 28-0 halftime lead and held on to dump the McKenzie Tigers 28-13 in the opening round of the Class A football playoffs.

The win upped the Bulldogs' record to 9-2 and advanced Brantley into the second round against Dozier.

Brantley began its initial series on the McKenzie 40 following a short punt and promptly drove down for a score. Marvin Booker gained 34-yards on 8 carries during the drive and scored on a 2-yard run. The extra-point failed, but with 4:37 left in the first quarter Brantley was on top 6-0.

The Bulldogs got the ball right back on a Tiger punt and again marched to paydirt. An 8-yard pass from Bernard Foster to Todd Carpenter and a 14-yard run by Foster were key plays in the 33-yard drive, and it was Foster who got the touchdown on a 1-yard sneak. Marvin Booker ran in for a two-point conversion, giving Brantley a 14-0 lead with 11:07 left in the half.

The Bulldog defense continued to dominate McKenzie on its next offensive series, and following a punt, Brantley drove 47-yards in only 3 plays to add to its lead. A 16-yard run by Keith Dorsey got the drive off to a fast start and Doug Salter scored on a 27-yard ramble. The p.a.t. by Dorsey was good and with 8:10 left in the half the Bulldogs were on top 21-0.

The Brantley defense came up with a turnover as Bernard Foster intercepted a pass at the McKenzie 38, and the Dog offense quickly scored again to blow the game wide-open! A 9-yard pass from Foster to Marvin Booker and a 22-yard run by Foster got the Bulldogs close, and Booker got the score on a 3-yard run. Dorsey added the p.a.t., giving Brantley a 28-0 lead with 2:53 left in the half.

At this point in the game, Brantley had rolled-up 28 points and 158-yards in total offense, while McKenzie's offense had been held to 0-yards by the Bulldogs defense.

McKenzie moved to midfield late in the half on the passing of Jamie Womack; however, Womack went to the air once too often and Bernard Foster came up with his second interception to stop the threat.

McKenzie recovered a Brantley fumble on the second half kickoff and took advantage of a penalty to move to a first down at the Bulldog 18-yardline. McKenzie moved to a first and goal at the 5, but couldn't punch it in as Brantley held at the 1-yardline.

The Dogs moved out to a first down, only to fumble the ball back at the 25. This time McKenzie wouldn't be stopped and scored on a 2-yard plunge by Scott Crum. Stacy Reid added the p.a.t., cutting the Brantley lead to 28-7 with :24 left in the third quarter.

McKenzie got the ball back on a punt and again started a drive, only to be stopped when Bernard Foster picked-off his third pass of the night in the Brantley endzone.

The Tigers scored on their next possession when Womack passed to Vincent Maye and Maye pitched back to Scott Crum on a 37-yard scoring play. Lee Johnson blocked the p.a.t., but McKenzie had pulled within 28-13 with 3:12 still left in the game.

Brantley's Rodney Hall recovered an outside kick to stall the McKenzie rally and the Bulldogs held on to win 28-13.

Marvin Booker gained 75-yards on 19 carries to lead Brantley, while Bernard Foster added 46-yards in 9 carries and Doug Salter gained 44-yards in 5 carries. Foster also shined on defense with 3 pass interceptions.

Fish kill reported at Lake Eufaula

The remains of a fish kill were washed up on the Lake Eufaula shore in Henry County, Alabama, and Early County, Georgia, by strong northwest winds. The fish kill is predominantly shad, but includes lesser number of hybrid striped bass, white bass, largemouth bass, channel catfish and white catfish.

District Fisheries Biologist Merril L. Nail, who has been investigating the fish kill since it began several weeks ago, reports there are strong indications the fish kill is caused by a natural phenomenon. He does not rule out other possible causes. At his request, on October 5, the Cooperative Fisheries Disease and Parasite Unit at Auburn University attempted to collect samples. The carcasses they found were unsuitable to determine whether parasites or diseases caused the kill. However lesions and fungus they found on the carcasses are usually associated with bacteria or parasites.

Nail went on to say, "A fish kill is always of grave concern to us. One in Lake Eufaula of course is of special significance; consequently, the investigation will continue to determine the causitive agent."

Assistant Chief of the Fisheries Section Clarence E. White advises the public that there have been similar kills occurring in Lake Eufaula at this time of year in the past. Water temperatures are changing and the fish are stressed, making them more susceptible to disease and parasites.

The presence of disease and parasites was confirmed by the Disease and Parasite Unit in fish kills which previously occurred in Lake Eufaula at this time of year. If this kill is the result of disease or parasites, White says that he would have no qualms about eating freshly caught fish from Lake Eufaula as long as they are well-cooked.

WADE BROWN displays an 8-point buck he killed Saturday, November 10, while hunting east of Bullock. His weapon was bow-and-arrow, and he made his kill with hunting partner Drexel Simmons.

VOLUME 88 THURSDAY, NOVEMBER 22, 1984 ELBA, ALABAMA 36323 PRICE - 25 CENTS 2 SECTIONS 20 PAGES [Including 1 Adv. Insert] NUMBER 23

PETERS NAMED NATIONAL AWARD WINNER . . . Earl E. Peters, vice president of National Security Insurance Company, has been named winner of a nationwide contest sponsored by American United Life of Indianapolis, Indiana. In the contest, Peters was asked to forecast changes in the insurance business by the year 2000! Over 100 entries were received, with Peters being the unanimous winner. Pictured above at the awards presentation are **L-R:** John L. Alliston, regional vice president - reinsurance, A.U.L.; Earl Peters, and John C. Stewart, vice president, reinsurance sales, A.U.L.

18 Predicted To Die In Holiday Accidents In State

The Alabama Department of Public Safety has estimated that 18 people will lose their lives in traffic accidents during the Thanksgiving holiday period, according to Col. Byron Prescott, department director.

The 102-hour holiday period begins at 6 p.m. Wednesday, November 21, and ends at midnight, November 25.

Prescott and Alabamians can give themselves one more reason to be thankful this holiday by taking special care when traveling the state's roadways. "This Thanksgiving will be a peak traffic period, and we are asking all motorists to help insure their safety and that of others by driving carefully and courteously and by observing all traffic laws," he said.

Prescott said all available State Troopers will be on duty during the Thanksgiving holiday to remove dangerous drivers from the road and to serve as a reminder to all motorists to observe extreme caution.

In addition, a federal grant program that the department began last month will allow approximately 40 additional troopers to patrol highways statewide during the holiday.

Prescott issued an appeal to all motorists to drive defensively and to watch out for other drivers. "Travelers should observe the speed limit and all other traffic laws and, most importantly, never get behind the wheel after drinking alcohol," he said. "In addition, we urge all drivers and passengers to use safety belts and child restraints: They do save lives."

Last year during Thanksgiving 11 people were killed in traffic accidents, eight on rural roadways and three on urban.

National Adoption Week Recognized

"Children Grow Better in Families" and "Adoption: An Investment in Families" is the double theme for the 9th annual National Adoption Week, a time when the Coffee County Department of Pensions and Security takes time out to recognize Alabama's adoptive families.

"National Adoption Week is once again being celebrated in conjunction with Thanksgiving Week and National Family Week," said Ron Smith, director of the Coffee County Department of Pensions and Security.

"As we pause during this holiday to give thanks for the love and support of our families, let us not forget that there are children in Alabama in need of adoptive families," said Smith.

Last year, statewide, the Department of Pensions and Security placed 328 children with adoptive families. Of the 328 children placed, 221 were over the age of two.

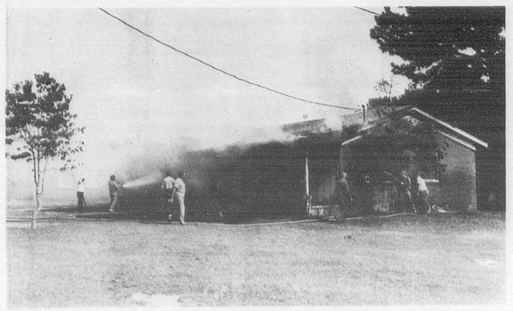

There are very few infants or very young children available for adoption. The greatest need is for adoptive homes for children in family groups of three or more, mentally handicapped children, and black and white school-age children.

Emphasis is being given to finding adoptive families for children with special needs. The Department will sponsor special recruitment in five designated counties for homes for special needs children during the next year. The majority of these children are black, of school age or mentally handicapped. Adoption is the best alternative for assuming the healthy development of such children.

In the last year, statewide, the Department of Pensions and Security placed more than a hundred of these special needs children with adoptive families.

"Even though we have seen many changes in our society in recent years, the family unit continues to be one of the most important entities in our lives," said the Director. "If you are interested in finding out how to make a child part of your family through adoption contact the Coffee County Department of Pensions and Security," he said.

Thanksgiving Is— Being Together

Firemen responded to a fire in Kennedy Estates last Saturday afternoon and extinguished a blaze in the home of Myra Renee Parker. The home suffered extensive damage. Parker was rushed to the Elba General Hospital by the Elba Rescue Squad after apparently suffering a seizure. She was unable to tell officials the cause of the fire.

Water & Electric Board States Industry Must Pay Bill In Full

The Elba Water and Electric Board met in regular session on Tuesday night, November 13 at City Hall and discussed a variety of important matters during a one-hour meeting.

Present at the monthly meeting was Board Chairman Oscar Vaughan, secretary D.M. English, and members Cleo Hawkins, Gladys Yelverton and Jack Prescott. Absent was Mickey Murdock.

After the routine adoption of the minutes, chairman Vaughan stated, "I was well pleased with the cooperation at the organizational meeting and hope the cooperation will continue throughout the year."

Mr. Charles Lowman, representing the Alabama Electric Coop, addressed the board and requested it extend the contract with AEC thru the year 2025.

Lowman stated the AEC is required to have long-term contracts with its users by REA as security for loans. The extension, from 2005 until 2025, would allow AEC to acquire further loans to permit construction and upgrading of systems in the southeast.

"We plan to continue at the present rate for the remainder of the year," said Lowman, "and also continue temporary discounts if possible. At the present, AEC doesn't forecast a raise in rates during the later 1980's."

The board seemed in favor of granting the extension, but stated it would discuss the matter further and make a decision at its December meeting.

A report that Kleinert's had deducted $6,000 from its electric bill to cover power outages got the attention of all board members and all agreed the company should pay the bill in full.

Kleinert's paid its bill, but deducted $6,000, claiming it was out of electricity for a number of hours on July 16 and August 17. The deduction was made to cover losses incurred due to the outage.

Cleo Hawkins stated, "Is it right for one and not for all? If we give permission to Kleinert's to deduct when the power is off we should also give it to other industries, as well as residents."

All board members agreed that Kleinert's should pay its bill in full and stated the City couldn't guarantee that electricity would be on 24 hours a day, 365 days a year.

"We expect the lights to be on," said Hawkins, "but there's no guarantee. I believe the outages were caused by lightning and by a private firm doing work. In both cases we had nothing to do with the outages."

The board instructed Hawkins to meet with the City Attorney to word a letter explaining the causes of the outages and the board's decisions.

The board was informed by Mr. Vaughan that over 500 water customers didn't have meters, or had meters that didn't work, and as a result, the customers were being billed the minimum rate. The customers being billed the minimum rate included businesses and a washateria.

The board agreed it was losing money because of the inoperative meters and stated the meters should be replaced.

Bids on new meters were opened at the meeting, and the bids were received from Alabama Water Works ($33 each), Wallace Pump and Supply ($26.80 each) and Neptune Water Meter Co. ($27 each with a $4 rebate on each old meter).

The board discussed the bids; however, Hawkins expressed displeasure with the entire discussion and stated, "When a work order is turned in a meter is checked. Why all of the sudden, are there 500 meters that need replacing?"

Hawkins objected to accepting a bid, prompting the board to table the matter until its next meeting.

A review of the financial status showed the board to be in "good shape." A net gain of $21,000 was reported in October, despite over $2,400 owed in old bills.

The rural water system was also showing a loss; however, the board stated it would take action on all customers not paying for the service.

In other action at the meeting the board:

***approved bills for payment;

***and, discussed changing the billing system of the Water and Electric Department to twice a month.

HRDC Accepting Applications For Heat Energy Assistance

Human Resource Development Corporation - HRDC - will begin accepting applications November 27 for Low Income Heat Energy Assistance Program (LIHEAP). To be eligible, a household must make application and furnish proof of household income of all household members. The head of the household (or spouse) is the person who should make application, according to Peggi James, HRDC executive director.

The Social Security card of the applicant, proof of monthly household income and a recent heating bill should be provided at the time application is made. Persons who reside in a public housing project, Section 8 housing, or any other type housing in which the Federal or state government pays all or a portion of the household's heating cost, either directly to the household or as a second party payment, are not eligible for assistance under this program.

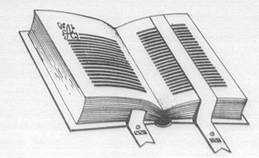

Applications will be taken on November 27 at all HRDC Centers except in Dothan, where they will be taken on that date at the Farm Center. Beginning November 29, LIHEAP applications will be taken only on Tuesdays and Thursdays at the HRDC Centers. According to Mrs. James, payments on behalf of an eligible household will range from $40 to $150, depending on family size and income. Payments will be made directly to the fuel company which supplies the fuel. No payments will be made directly to a household.

Combined gross income, for the month prior to the month of application, cannot exceed $518 for one person, $700 for two persons, $881 for three persons, and $1,062 for four or more.

If you believe you qualify for the program, you may apply on the designated days at the nearest HRDC Center in Barbour, Coffee, Geneva, Henry or Houston County.

FOUR INJURED IN ACCIDENT . . . Sara Hattaway and her three children - Pamela 18, Tonya 13, and Sherry Watts 5 months, were injured in a one-vehicle accident early Sunday morning on County Road 25, four miles north of Elba. All four were taken to the Elba General Hospital, where all except the infant were treated and released. The infant was transferred to a Dothan hospital due to a head injury.
